

Find the differences

How many differences can you find between your picture and your partner's picture?

STUDENT A

Ask and answer questions.

Example: A: How many trees have you got in your picture?

B: I've got two trees in the garden. And you?

A: I've got one tree in the garden.

STUDENT B

Ask and answer questions.

Example: A: How many trees have you got in your picture?

B: I've got two trees in the garden. And you?

A: I've got one tree in the garden.
